## Actual client testimonials

### Testimonial #1

*"I started the program 4 weeks ago. I came in just a few weeks after having a baby. I was very unhappy about the way I looked. My self-esteem was very low. After my first wrap, I lost 11-1/4 inches. My skin felt very smooth, and I felt great. I've lost 21 inches, and after eight wraps, I lost 34-1/2 inches. My cellulite has almost vanished. I have now lost 14 lbs., and I don't remember ever looking this good. I get a lot of compliments and I feel great."*

**Kathy, Atlanta**
